

Fabric Color Chart

Note: Please be aware that colors may vary due to differences in varying monitors and printers.

Bengaline (medium - heavy weight faille), fabric content 49% Acetate 51% cotton. Bengaline is a wonderfully stable fabric with a slight sheen that reads very rich on stage. This fabric is suggested for all bodice and tunic styles. *Note; We purchase all specialty fabrics separately from this chart. If you prefer to purchase your own fabric, we will let you know what the yardage should be and adjust the price of your tunic by up to 10%*
